Dear Mr. Mackay,

My splendid conservatory door was installed on Wednesday afternoon by two delightful young men, Ryan & Charlie.

Having ticked all the boxes and paid you, I think you should know what lovely workmen did the job. They were both polite and funny and clearly did an efficient job and I would recommend them to any of my friends who required similar work.

Yours Faithfully

Re Sales Representative Louis Harbison

Dear Sir,

We were impressed by the above Sales Representative during his visit. He arrived on time, was pleasant, well dressed with a good knowledge of your product. Louis listened carefully to our problems and requirements and then examined, with care, our existing installation.

The demonstration of, and discussion concerning your product was first class and we were therefore pleased to place our order with him.

Yours faithfully,
